

BabyLock Serger Boot Camp Supply List
Dublin Sewing Center
Overlock
Friday, February 24th and Saturday, February 25th

Supplies Needed:

Thread

- 4 different colors of Maxi-Lock serger thread. Recommend the following colors to match the quick reference threading guide: red, yellow, green, blue
- Two spools of either Pearl Crown Rayon or 12-wt. cotton thread for Serger Crochet
- Decorative threads from the following list as desired (we will use only one or two of these during the class):
 - Woolly Nylon
 - Pearl Crown Rayon
 - Candlelight
 - Designer 7
 - Sulky 12-wt. Blendables or solid cotton
 - 40-wt. polyester or rayon embroidery thread

Notions

- Size 80 serger needles, several
- Scissors (thread snips and larger for cutting samples)
- Needle Grabber, optional

Serger & Feet

- Serger in good working order with manual and all accessories needed for Overlocking. Do not forget the following accessories: quick reference threading guide, allen wrench, flat-tip screwdriver, tweezers, thread nets, sponge disks, knife cover, foot pedal and power cord.
- Serger Feet & Attachments (bring all that you have)
 - Clear
 - Piping/Cording
 - Ruffling/Gathering
 - Elastic
 - Beading
 - Lace Applicator
 - Blind Hem
 - Curve
- Copies of Instructions for the Serger Feet & Attachments that you have. These will be put into your reference book with the samples. If you are not sure that you have the most updated copy of the instructions, they can be downloaded on the BabyLock website at <http://www.babylock.com>. Find the page that tells about the foot and download new instructions under "FAQs and Manuals".

Other

Note: A 3-ring binder and stitch sheets will be provided.

- Double-Stick transparent tape or dot runners (glue for scrapbooking) for taping samples to sample sheets
- Ink pen for taking notes
- Sheet protectors (optional for storing samples and sample sheets)

Pre-Class Preparation

1. Make sure that you can ***successfully*** set up your serger for each of the following stitches:
 - 4-Thread Overlock
 - 3-Thread Overlock, both wide and narrow
 - 3-Thread Overlock, Rolled Edge
 - 2-Thread Flatlock, Wide
